NEVADA
Oncology Society

WHY JOIN NOS?

Our mission is to promote the highest professional standards of oncology in Nevada.

How do we do this?

We advocate for every member in Nevada through our key partnerships to ensure you'll stay informed on key oncology policies, take action on state and federal issues, and help shape advocacy efforts that impact patient care.

We connect cancer centers members with local partners and industry leaders to strengthen your practice and advance oncology care.

We educate our members through our in-person events that provide valuable resources, learning, and networking opportunities.

How to be involved?

- Join our Policy Committee to help advocate for issues within the state
- Join us at an upcoming in-person meeting here: NOS Upcoming Events
- Volunteer to meet with your local legislator (training provided!)
- Contact Brandon Lawrence, NOS Executive Director, at blawrence@nos-oncology.org

Who can become a member?

Membership is open to all oncology practices and universities, as well as individual physicians, allied health professionals, fellows, and retired professionals practicing in Nevada.
